

Technical drawings of a mechanical component, showing three views: front, side, and top. The front view shows a rectangular component with a total width of 60 and a height of 110. The side view shows a cross-section with a total width of 37 and a height of 44. The top view shows a rectangular component with a total width of 30 and a height of 45. Dimensions are given in millimeters.

Technical drawing of the bottom view of a 21-liter plastic container. The drawing shows a rectangular shape with rounded corners and a central rectangular area. Dimensions are given in millimeters.

- Overall width: 51
- Overall height: 33
- Central area width: 46
- Central area height: 30
- Distance between centers of four mounting holes: 31.81
- Distance between centers of two side holes: 45
- Distance between centers of two bottom holes: 38.5
- Distance between centers of two top holes: 51
- Distance between centers of two side holes: 46
- Distance between centers of two bottom holes: 43.5

The drawing also shows a label "21-176-1" and a recycling symbol.

Technical drawing of the top view of a rectangular frame with rounded corners, labeled 21-178-2. The drawing shows four corner fasteners, each consisting of a bolt and a nut. Dimensions are provided in millimeters.

Dimensions:

- Overall width: 51
- Overall height: 39.28
- Inner width: 45
- Inner height: 36
- Distance between centers of corner fasteners: 48
- Distance from center of corner fastener to inner edge: 6
- Distance from center of corner fastener to outer edge: 33.5
- Distance between inner edges of corner fasteners: 45.5
- Distance from inner edge to outer edge: 6
- Distance from outer edge to center of corner fastener: 36.67
- Distance between outer edges of corner fasteners: 39.5
- Distance from outer edge to center of corner fastener: 44.5

Label: 21-178-2

Fastener specification: 4-Ø 2.7
